

New in the range!

Transmission oil change kits for automatic and dual-clutch transmissions

The new transmission oil change kits from Hengst offer a quick and cost-effective solution for maintenance.

With our kits, you receive a complete set with all the necessary components in one package. This eliminates the tedious task of identifying and ordering individual parts. At the heart of the kits are the high-quality transmission oil filter and the transmission oil „Made in Germany“.

Watch the YouTube video about the new products in the HENGST.garage.

Kai will be presenting our new transmission oil change kits there.

Hengst
FILTRATION

Transmission oil filters for automatic transmissions are no longer just a service life component. They are subject to a change interval of 80,000 - 120,000 kilometers. With our transmission oil change kits, you can be sure that you will receive a premium filter and a premium oil „Made in Germany“ and that the transmission will continue to run reliably for the next 100,000 kilometers.

Advantages at a glance:

- Time saving
- Cost efficiency
- Complete package incl. all individual parts
- Simple installation
- Maintaining vehicle performance and service life

Scope of delivery:

- Transmission oil filter
- Transmission oil
- Gaskets
- Mounting accessories
- Gloves
- Service trailer oil change
